§ 1423.1 Applicability.

(a) This part sets forth the terms and conditions for approval of a warehouse operator by the Commodity Credit Corporation (CCC) to store and handle CCC interest commodities, which are owned by CCC and, as may be required under parts 1421, 1427 and 1435 of this title, with respect to commodities pledged as security for a loan made by CCC. CCC may require that a warehouse enter into a storage agreement under this part to store such commodities. The execution of such a storage agreement by CCC does not constitute a commitment that CCC will use the warehouse.

(b) By entering into a storage agreement with CCC, the warehouse operator agrees to comply with the terms and conditions of the storage agreement.

§ 1423.2 Administration.

On behalf of CCC, the Farm Service Agency (FSA) will administer this part under the supervision of the Deputy Administrator for Commodity Operations (Deputy Administrator), FSA.

§ 1423.3 Definitions.

Agreement means agreements covering storage and handling of any such

commodity CCC may determine appropriate for storage.

KCCO means the FSA, Kansas City Commodity Office.

Warehouse means a building, structure, or other protected enclosure, in good state of repair, and adequately equipped to receive, handle, store, preserve, and deliver the applicable commodity.

Warehouse operator means an individual, partnership, corporation, association, or other legal entity engaged in the business of storing or handling for hire, or both, the applicable commodity.

§ 1423.4 General requirements.

(a) Unless otherwise provided in this part, approved warehouse operators must maintain a current and valid license for the kind of storage operation for which the warehouse operator seeks approval if such a license is required by State or local laws or regulations and maintain accurate and complete inventory and operating records.

(b) Approved warehouse operators may only use pre-numbered warehouse receipts, or pre-assigned ranges of numbers for electronic warehouse receipts as set forth in the agreement, and may only use pre-numbered scale tickets, if applicable, as CCC may approve.

(c) In addition, the warehouse operator must:

(1) Be in compliance with state and local laws regarding fire safety;

(2) Furnish a copy of any written lease agreement to CCC with the application. All leases are subject to CCC approval; and

(3) Have sufficient employees and management with technical qualifications and skills in the warehousing business regarding the commodities subject to the agreement.

(d) Unless otherwise provided in this part, each approved warehouse shall:

(1) Be maintained under the control of the warehouse operator;

(2) Be maintained in a good state of repair; and

(3) Maintain adequate equipment to receive, handle, store, preserve and deliver the applicable commodity.
